FIG. 5

FIG. 5 is a cross-sectional view of the device of FIG. 1, taken along line A-A of FIG. 1, showing the device in a folded state. The device includes a first substrate 15, a second substrate 20, and a third substrate 25. A first layer 26 is disposed on the first substrate 15, and a second layer 27 is disposed on the second substrate 20. A third layer 28 is disposed on the third substrate 25. A fourth layer 29 is disposed on the first substrate 15. A fifth layer 30 is disposed on the second substrate 20. A sixth layer 31 is disposed on the third substrate 25. The device is shown in a folded state, with the first substrate 15 and the second substrate 20 being folded together. The third substrate 25 is shown in a separate position, indicating that it is not folded with the other two substrates. The layers 26, 27, 28, 29, 30, and 31 are shown as thin layers on the substrates. The device is shown in a perspective view, with the layers and substrates being represented by lines and arrows. The labels 15, 20, 25, 26, 27, 28, 29, 30, and 31 are used to identify the various components of the device. The label 'BACK LIGHT' is used to indicate the direction of light emission from the device. The label 'A-A' is used to indicate the line of section for FIG. 5.

FIG.6 (a)

FIG.6(b)

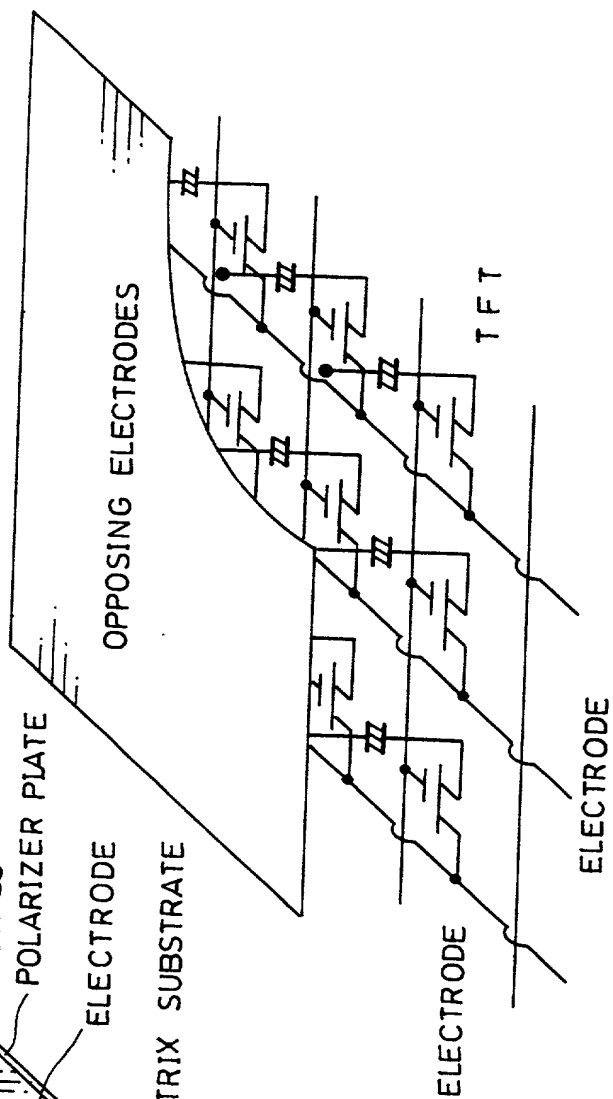

FIG. 7

As a below named inventor, I hereby declare that: My residence, post office address and citizenship are as stated below to my name. I believe I am the original, first and sole inventor (if only one name is listed at 201) below or an original, first joint inventor (if plural names are listed at 201-208 below) of the subject matter which is claimed and for which a patent is sought on the invention entitled:

IMAGE-CAPTURING DEVICES UTILIZING THE SAME

is described and claimed in:

- ☒ the specification attached hereto.
- ☐ the specification in U.S. Application Serial Number \_\_\_\_\_, filed on \_\_\_\_\_
- ☐ the specification in PCT international application Number \_\_\_\_\_,  
filed on \_\_\_\_\_; and was amended on \_\_\_\_\_.

I hereby state that I have reviewed and understand the contents of the above identified specification, including the claims, amended by any amendment referred to above. I acknowledge the duty to disclose information which is material to the prosecution of this application in accordance with Title 37, Code of Federal Regulations, §1.56(a). I hereby claim foreign priority benefits under Title 35, United States Code, §119 of any foreign application(s) for parent or inventor's certificate listed below and have also identified below any foreign application for parent or inventor's certificate having a filing date before that of application on which priority is claimed.

**Prior Foreign/PCT Applications and Any Priority Claims Under 35 U.S.C. 119:**
